Preserving History, Building Legacy:

QUAKERTOWN MEMORIAL PARK STADIUM

In 2024, the Quakertown Borough revitalized the grandstands at the Memorial Park Baseball Stadium, bringing new life to this cherished community landmark. Now, we are partnering with community members, local businesses, and organizations to fund the remaining improvements needed to complete the revitalization of the facility. Areas of focus include the fence surrounding the ball field, the concession stand, dugouts, and adding picnic tables to the facility. We are excited to offer a variety of sponsorship opportunities, such as:

- Commemorative baseball hung in the entrance way with your customized message
- Sponsorship of a section of fence with a complimentary 3'x3' baseball displayed
- Sponsorship of a picnic table with a commemorative plaque
- Sponsorship of a section of bleacher seating with commemorative plaque in the seating section
- Naming rights of the dug outs and concession stand

Our goal is to fundraise \$200,000.00 by the New Year to begin all the necessary projects, ensuring the stadium is ready for the 2025 season. These improvements will preserve its historical significance while upgrading facilities to meet today's needs for players and spectators alike. Together, we can ensure that Quakertown Memorial Park Stadium remains a cherished landmark for future generations. Please consider donating to support this project.
